Basketball teams representing the preparatory schools had something Cornell. on the high school quints in yester Auguste day's opening clashes in the Inter- McCorm'k. scholastic Basketball League at the Arcade for St. Albans succeeded in snowing Eastern under by 42 to 10. while the Army and Navy Preps Lewis McMillin beat out Central by 30 to 26 in the Gallagher. most interesting of the battles.

Bearing in mind that the season started some three weeks earlier this year, and that the contests were played on a floor twice larger and many times more slippery than any Sparks..... of the gyms in use by the local teams the contests were productive of first-class basketball.

All four teams in action may be classed as green teams. None of the Eastern players had ever been in a championship basketball battle before and but one St. Alban player had graced the floor in such a game. While older and more experienced, the A. N. P. lads have played together but few times this season. Central is the new entrant, and while its players have been pitted against the high school quints as members of an independent organization they have the making of a formidable team.

St. Albans went right to the front in the opening game and succeeded in cluding the Easterners for eleven points the first quarter. Dunlop Castle and Loker contributed to the scoring. The Easterners gathered but three points due chiefly to the fact that Hauser and Carter guarded closely. McClassen, for Eastern, played the best game for his side, but the Easterners were handicapped by their lack of familiarity with the floor, and the baskets without a background bothered them in shoot-

Central and Army and Navy Preps took the floor for a slashing battle. The footwork was faster than that in the first half played by Eastern and St. Albans, and the teams quit with honors even at 12 points each.

Both teams passed well, White, Marbury, and Cissel showing to advantage for Central, while Zerbe, Knudson and Gilmartin got plenty of action for the Prens

St. Albans made a runaway race of the second half against Eastern, and toward the end substituted a whole new team. The second half of the Prep-Central game found the high school team fouling to a great extent which in a measure was the real reason for their defeat.

While Captain Marbury and Dezendorf failed on several easy shots it was the fouling which robbed Central of a victory. The Preps shot nine baskets from the floor, while Central shot tenselventeen fouls were chalked up against Central and but eight against the A. N. P. five.

A good sized crowd was on hand to watch the battles, and there was dancing after the games. Next Tuesday, when business and Western meet in their first battle of the season, a banner gathering is looked for. Yesterday's play cannot be taken as a standard, as the season is too early to permit of good passing or accurate shooting.

It must be borne in mind that there were few veterans in the contests. The exhibitions show that all four teams will be able to show consistently better form after the holidays. Both Western and Business have veteran quints, and can be expected to perform quints, and can be expected to perform to better advantage.

Three Washington boys are included among those being honored at Tome Institute for their performances in athletics this past fall.
